Agenda

1. Content assessment of envelope 3.
2. Evaluation of the proposal evaluable with automatic criteria (envelope 3).
3. Proposal classification.
4. Proposal of award, conditional on the provision of the documentation referred to in clause 15.1 and on the constitution of definitive guarantee.

Session progress

1. The contracting committee considers that the documentation submitted in envelope 3 meets the requirements set on the bases.
2. The contracting committee discuss the content of the proposal evaluable with subjective criteria and, after the application of automatic criteria, agrees the following evaluation:
 - a. Valuation of the economic offer: up to a maximum of 25 points, distributed as follows:

$$P_v = \left[1 - \left(\frac{O_v - O_m}{IL} \right) \times \left(\frac{1}{M} \right) \right] \times P$$

* P_v = Score of the tender to be evaluated

P = Economic criterion points

O_m = Best Offer

O_v = Tender to be evaluated

IL = Tender amount

M = Modulation factor

25 points

- b. Experience in the development of projects with 6Li: up to a maximum of 8 points.

In this way, the proposal that presents the greatest number of experiences in the development of projects with 6Li will be assigned the highest score, and the rest of the proposals will be evaluated proportionally directly to the number of experiences declared in relation to those submitted by the tender that presents the greatest number.

8 points

- c. Experience in Manufacturing material batches facing QA: up to a maximum of 8 points.

Same evaluation criteria than in point 2.

8 points

- d. Experience in LLE-forms (LLE, 6LLE) Material Production and Qualification Plan (MPQP): up to a maximum of 4.5 points.

Same evaluation criteria than in points 2 and 3.

4.5 points

- e. Experience in work with LLE-forms (LLE, 6LLE): up to a maximum of 4.5 points.
